DIRTY DEEDS 4X4 CLUB SA

CHILD SAFETY POLICY

Purpose

Dirty Deeds 4x4 Club SA is a family-friendly club. This policy outlines the responsibilities of parents, guardians and members regarding children attending club activities.

Children at Club Activities

Children under 18 years of age are considered guests of the club and may only attend club activities when accompanied by a parent or nominated guardian.

Children must not:

- Attend club events unaccompanied.
- Vote at club meetings.
- Hold committee or official club positions.
- Act as Trip Leaders or Event Organisers.

Parent and Guardian Responsibilities

Parents and guardians are responsible for the supervision, safety and behaviour of their children at all club events.

Children must remain under the care and control of their parent or guardian at all times.

Photography and Social Media

Members must obtain permission from a child's parent or guardian before publishing photographs or videos of that child on social media, the club website or other public platforms.

The club will not publish personal information relating to children without parental consent.

Unattended Children

If a member discovers an unattended child, they should make reasonable efforts to locate the parent or guardian and notify the Trip Leader if assistance is required. Members should avoid being alone with a child wherever possible.

Policy Review

This policy will be reviewed periodically by the Committee.
