

WHAT WE DO

If you would like to:

- Get out and explore.
- Challenge your 4x4 and skills.
- Meet new people and make new friends.
- Take day trips or weekends away (and sometimes longer trips)
- Have a good laugh around the campfire.
- Enjoy watching all the kids, being kids.

Then don't hesitate to contact us or join in at one of our meetings.

One of our annual trips to Morgan.

LET'S GET OUT THERE!

WELCOME TO

New members are
always welcome.

ABOUT US

An afternoon break at Bendleby Ranges.

Originally formed in 2011 as a group of mates, **DirtyDeed's 4x4 Club S.A. Inc.** has grown to become a family orientated 4wd club, located in the northern suburbs of Adelaide. We like to get out and explore Australia with our kids while encouraging them to enjoy the outdoors as much as us. We come from all walks of life, and this is portrayed in the wide range of vehicles that are in the club. When we are out, we like to challenge ourselves as much as possible and we enjoy a laugh around the campfire at the end of the day.

We are proudly affiliated with 4WDSA with access to many resources, properties, and events, we aim to make our club better for the future generations.

A play in the sand at Peake.

The State Association

Four Wheel Drive SA (4WDSA) is South Australia's major four-wheel drive body. The Association was created by likeminded clubs to represent the recreational four-wheel drivers. There are many units in 4WDSA who work together with state and federal Government bodies, local councils, and landowners to improve four-wheel driving for many years to come.

Objectives of

Some objectives of DirtyDeed's 4x4 Club S.A Inc are: To provide a common meeting place for people with similar interests in four wheel driving. To actively support the conservation of the natural environment.

To conduct meetings whereby members may gain knowledge in vehicle handling, equipment, minimal impact camping, travel safety, and care and maintenance of their vehicle, equipment, and the environment. To promote the responsible use of public lands.

Fun on the Border Track.

Club Activities

As a club we like to get together at least once a month to participate in a variety of activities that include meetings, social events, day trips, weekend getaway's, working bees, fundraising events, and expeditions to distant locations such as Simpson Desert, Alice Springs, Victorian High Country and more.

Club Meetings

General meetings are usually held at Salisbury North Football Club on the first Sunday of each month starting at 7:00pm. To show our support for the Football Club, we arrive from 5pm for a meal and socialising before the meeting starts. There is no meeting held in December and the dates sometimes alter on long weekends & public holidays. Checkout our website for more information.

Christmas is all about the kids.
